PC-70 BOARD

Ref. No.
or Q'ty Part No. SP Description

The components on this board are out of spare parts.
When component replacement is required, replace by the assembly (including mounted circuit board) below.

A-8267-589-G s CASSETTE SVC

PTC-101 BOARD

Ref. No.
or Q'ty Part No. SP Description

The components on this board are out of spare parts.
When component replacement is required, replace by the assembly (including mounted circuit board) below.

A-8325-080-A s DIAL ASSY

PTC-102 BOARD

Ref. No.
or Q'ty Part No. SP Description

The components on this board are out of spare parts.
When component replacement is required, replace by the assembly (including mounted circuit board) below.

RX-80 BOARD

Since a high frequency circuit is mounted on the RX-80 board, replacement of electrical parts are impossible. Be sure to replace the whole board when the RX-80 board is malfunctioning.
